Imported English and Irish Cheese

Double Gloucester

Originating from around the town of Gloucester on the western edge of the Cotswolds, Double Gloucester cheese rolling contests are still part of springtime celebrations. Its lovely silky texture, golden colour and mellow flavor make this a very popular cheese.

Huntsman™

Complex layering makes this cheese from Clawson Dairy the perfect marriage of two delicious British classics. Tangy Blue Stilton is sandwiched between hand formed layers of mellow, satiny Double Gloucester. The result is an excellent flavor combination, which is both delicious and beautiful.

Sage Derby

Cheesemakers use real sage leaves for flavor in this semi-hard cheese. The lovely green marbling makes Sage Derby a visual delight. Originally consumed only at Harvest and Christmas time, it is now available all year round.

Dorset Drum

This aptly named drum shaped delight from Dorset sets a high standard for handmade English Farmhouse Cheddar excellence. Perfectly aged and hand dipped in black wax, it is exceptionally sweet and tangy and tastes nothing like any mass-produced Cheddar you have ever tasted.
